Important!

Sale continues throughout the entire month of September, but prices in this ad are for Wednesday and Thursday only. Many of the items will be sold out the first day--so shop Wednesday, if you can. We reserve the right to limit quantities on all items.

This important event is the result of months of planning and preparation. As far back as last January, when manufacturers' prices were much lower than they are today, we started to place orders for this sale. Many of the goods are worth more today wholesale than we offer them for to you. At these remarkably low prices alert housekeepers will buy, not only for present needs, but will anticipate their wants for months ahead. Read this page carefully, check the items you want and bring the ad with you--it will save you time.
